### Instructor

**Paula M. Zalucki, FACHE**

Senior Managing Consultant

*Berkeley Research Group*

Paula Zalucki is a Fellow of the American College of Healthcare Executives and a seasoned BOG Review Course Instructor.

She has had an active role in the College, having served as both a Regent for the Greater DFW area and as Chapter President for ACHE of North Texas. She has also served on several national committees, including the national Chapter Committee during the period that the College transformed the chapter model. Ms. Zalucki has earned the distinction of Exemplary Service for ACHE, the highest level of volunteer service in recognition of her participation in both governance and educational programs for the College.
